SUMMARY: The Secretary of the Interior is extending the deadline from January 9, 2003, to January 24, 2003, for nominations for tribal representatives for the No Child Left Behind Negotiated Rulemaking Committee. SUPPLEMENTARY INFORMATION: On December 10, 2002, we published a notice requesting nominations for a negotiated rulemaking committee that will develop regulations to implement the No Child Left Behind Act. (The notice appeared at 67 FR 75828 and is available on our Web site at <http://www.OIEP.bia.edu> under "Negotiated Rulemaking.") In this notice we invited representatives of tribal schools (both contract and grant) and tribally operated schools to nominate representatives and alternates to serve on the committee. In order to have an adequate pool of nominations, we are extending the deadline for tribes and tribal organizations to submit nominations.

Because committee membership should reflect the diversity of tribal interests, tribal schools and tribally operated schools should nominate representatives who will:

1. Represent the interests of students, parents, teachers, school board members, and school administrators they are nominated to represent;
2. Reflect the spectrum of grant/tribally-controlled schools, off-reservation boarding schools, various size schools, and alternative schools in the geographic regions;
3. Communicate with the constituencies they represent; and
4. Participate fully in the committee's activities.

We will consider nominations for tribal committee representatives only if they are nominated through the process identified in this notice and in the notice that we published on December 10, 2002. We will not consider any nominations that we receive in any other manner. We will also not consider nominations for Federal representatives. Only the Secretary may nominate Federal employees to the committee.

Nominations must include the following information about each nominee for tribal committee member:

- (1) The nominee's name, business address, telephone and fax number (and e-mail address, if applicable);
- (2) The tribal interest(s) to be represented by the nominee (teacher, parent, school administrators, or school board member) and whether the nominee will represent the interest of grant/tribally-controlled school, off-reservation boarding school, small or large school or alternative school in a specific geographic region or other interest related to this rulemaking, as the tribe may designate; and

(3) The nominee's qualifications and experience in Indian education (including being a parent of a student attending a Bureau-funded school) to

adequately represent the interest(s) identified above.

To be considered, we must receive nominations by the close of business on January 24, 2003, at the location indicated in the **ADDRESSES** section.

Dated: January 10, 2003.

Aurene M. Martin,

Assistant Secretary—Indian Affairs.

Special Regulations; Areas of the National Park System

AGENCY: National Park Service, Interior.

ACTION: Proposed rule.

SUMMARY: The National Park Service has proposed this rule to designate areas where personal watercraft (PWC) may be used in Glen Canyon National Recreation Area, Utah and Arizona. This rule implements the provisions of the National Park Service (NPS) general regulations authorizing park areas to allow the use of PWC by promulgating a special regulation. The NPS Management Policies 2001 require individual parks to determine whether PWC use is appropriate for a specific park area based on an evaluation of that area's enabling legislation, resources and values, other visitor uses, overall management objectives, and consistent with the criteria of the NPS for managing visitor use.

DATES: Comments must be received by March 18, 2003.

ADDRESSES: Comments should be sent to, Glen Canyon National Recreation Area, PWC Rule-Making, Box 1507, Page, Arizona 86040. Email:

glca_pwc@nps.gov. FAX: (928) 608-6259.

SUPPLEMENTARY INFORMATION:

Additional Alternatives

The information contained in this proposed rule supports implementation of the preferred alternative in the Draft Environmental Impact Statement for Personal Watercraft Rule-Making published September 13, 2002. The public should be aware that two other alternatives were presented in the Draft EIS, including a no-PWC alternative, and those alternatives should also be reviewed and considered when making comments on this proposed rule.

Purposes of the Recreation Area

National Park System units are established by Congress, and the enabling legislation usually identifies specific purposes for the unit. A unit's purpose, as established by Congress, is the foundation on which management decisions are based. The purpose and significance of Glen Canyon National Recreation Area and its broad mission goals are derived from its enabling legislation and are summarized in the national recreation area's General Management Plan (NPS 1979) and Strategic Plan (NPS 2000-2005).

Glen Canyon National Recreation Area was established in 1972 (Public Law 92-593) "to provide for public outdoor recreation use and enjoyment of Lake Powell and lands adjacent thereto * * *, and to preserve scenic, scientific, and historic features contributing to public enjoyment of the area (16 U.S.C. 460dd)." The recreation area's primary management objective, as established in the General Management Plan (NPS 1979), is "to manage the recreation area so that it provides maximal recreational enjoyment to the American public and their guests."

The national recreation area's enabling legislation states "The Secretary shall administer, protect, and develop the recreation area in accordance with the provisions of [the Organic Act] * * * and with any other statutory authority available to him for the conservation and management of natural resources (16 U.S.C. 460dd-3). This act also specifies that "nothing * * * shall affect or interfere with the authority of the Secretary * * * to operate Glen Canyon dam and
