**Subject:** ATTN: President's Coronavirus Guidelines for America

Dear Tribal Leader,

Please see the attached call-to-action from President Trump to combat the COVID-19 Virus. These are the actions developed in concert with top health and medical professionals of the Federal Government to slow the spread of the COVID-19 Virus. As a Tribal Leader, you are the first line of defense for your citizens – I ask that you please join us in suppressing COVID-19 by uniting your community to adhere to the seven guidelines as much as possible for the next 15 days. Thank you for your efforts to safeguard your citizens and your communities. If I can be of any assistance, please contact me directly.

Mvto/Wado,

Tyler Fish  
Senior Policy Advisor & Tribal Liaison  
White House Office of Intergovernmental Affairs  
(202) 881-9014
