1 **TITLE VII—ECONOMIC SECURITY**  
2 **FOR VICTIMS**

3 **SEC. 701. FINDINGS.**

4 Congress finds the following:

5 (1) Over 1 in 3 women experience sexual vio-  
6 lence, and 1 in 5 women have survived completed or  
7 attempted rape. Such violence has a devastating im-  
8 pact on women’s physical and emotional health, fi-  
9 nancial security, and ability to maintain their jobs,  
10 and thus impacts interstate commerce and economic  
11 security.

12 (2) Homicide is one of the leading causes of  
13 death for women on the job. Domestic partners or  
14 relatives commit 43 percent of workplace homicides  
15 against women. One study found that intimate part-  
16 ner violence resulted in 142 homicides among women  
17 at work in the United States from 2003 to 2008, a  
18 figure which represents 22 percent of the 648 work-  
19 place homicides among women during the period. In  
20 fact, in 2010, homicides against women at work in-  
21 creased by 13 percent despite continuous declines in  
22 overall workplace homicides in recent years.

23 (3) Violence can have a dramatic impact on the  
24 survivor of such violence. Studies indicate that 44  
25 percent of surveyed employed adults experienced the

1 effect of domestic violence in the workplace, and 64  
2 percent indicated their workplace performance was  
3 affected by such violence. Another recent survey  
4 found that 78 percent of offenders used workplace  
5 resources to express anger, check up on, pressure, or  
6 threaten a survivor. Sexual assault, whether occur-  
7 ring in or out of the workplace, can impair an em-  
8 ployee's work performance, require time away from  
9 work, and undermine the employee's ability to main-  
10 tain a job. Nearly 50 percent of sexual assault sur-  
11 vivors lose their jobs or are forced to quit in the  
12 aftermath of the assaults.

13 (4) Studies find that 60 percent of single  
14 women lack economic security and 81 percent of  
15 households with single mothers live in economic inse-  
16 curity. Significant barriers that survivors confront  
17 include access to housing, transportation, and child  
18 care. Ninety-two percent of homeless women have  
19 experienced domestic violence, and more than 50  
20 percent of such women cite domestic violence as the  
21 direct cause for homelessness. Survivors are deprived  
22 of their autonomy, liberty, and security, and face  
23 tremendous threats to their health and safety.

24 (5) The Centers for Disease Control and Pre-  
25 vention report that survivors of severe intimate part-

1       ner violence lose nearly 8,000,000 days of paid work,  
2       which is the equivalent of more than 32,000 full-  
3       time jobs and almost 5,600,000 days of household  
4       productivity each year. Therefore, women dispropor-  
5       tionately need time off to care for their health or to  
6       find safety solutions, such as obtaining a restraining  
7       order or finding housing, to avoid or prevent further  
8       violence.

9               (6) Annual costs of intimate partner violence  
10       are estimated to be more than \$8,300,000,000. Ac-  
11       cording to the Centers for Disease Control and Pre-  
12       vention, the costs of intimate partner violence  
13       against women in 1995 exceeded an estimated  
14       \$5,800,000,000. These costs included nearly  
15       \$4,100,000,000 in the direct costs of medical and  
16       mental health care and nearly \$1,800,000,000 in the  
17       indirect costs of lost productivity. These statistics  
18       are generally considered to be underestimated be-  
19       cause the costs associated with the criminal justice  
20       system are not included.

21               (7) Fifty-five percent of senior executives re-  
22       cently surveyed said domestic violence has a harmful  
23       effect on their company's productivity, and more  
24       than 70 percent said domestic violence negatively af-  
25       fects attendance. Seventy-eight percent of human re-

1 sources professionals consider partner violence a  
2 workplace issue. However, more than 70 percent of  
3 United States workplaces have no formal program or  
4 policy that addresses workplace violence, let alone  
5 domestic violence. In fact, only 4 percent of employ-  
6 ers provided training on domestic violence.

7 (8) Harassment is a persistent and significant  
8 problem in the workplace in the United States, and  
9 the Equal Employment Opportunity Commission  
10 found that not less than 25 percent, and as many  
11 as 85 percent, of women surveyed report having ex-  
12perienced sexual harassment at work.

13 (9) For decades, survivors of sexual violence  
14 have come forward to seek justice and demand their  
15 right to be free from violence, harassment, and other  
16 forms of discrimination. These calls for change  
17 reached a tipping point after October 2017 as a re-  
18 sult of Tarana Burke's work and #MeToo going  
19 viral. Thousands of courageous individuals, from  
20 Hollywood to the halls of Congress and the military,  
21 to restaurants, agricultural fields, and factory floors,  
22 shined a light on the pervasive and insidious nature  
23 of workplace harassment and sexual assault.

1           (10) Working people can be subjected to mul-  
2           tiple forms of harassment in the workplace at the  
3           same time.

4           (11) According to the Equal Employment Op-  
5           portunity Commission, approximately 3 out of 4 in-  
6           dividuals who experience harassment never talked to  
7           a supervisor, manager, or union representative about  
8           the harassing conduct.

9           (12) The impact of domestic violence, dating vi-  
10          olence, sexual assault, and stalking on the workplace  
11          is a part of the challenge of workplace harassment.

12          (13) Studies indicate that one of the best pre-  
13          dictors of whether a survivor will be able to stay  
14          away from his or her abuser is the degree of his or  
15          her economic independence. However, domestic vio-  
16          lence, dating violence, sexual assault, and stalking  
17          often negatively impact a survivor's ability to main-  
18          tain employment.

19          (14) Abusers frequently seek to exert financial  
20          control over their partners by actively interfering  
21          with their ability to work, including preventing their  
22          partners from going to work, harassing their part-  
23          ners at work, limiting their partners' access to cash  
24          or transportation, and sabotaging their partners'  
25          child care arrangements.

1           (15) Economic abuse refers to behaviors that  
2           control an intimate partner's ability to acquire, use,  
3           and maintain access to money, credit, ownership of  
4           assets, or governmental or private financial benefits,  
5           including defaulting on joint obligations (such as  
6           school loans, credit card debt, mortgages, or rent).  
7           Other forms of such abuse may include preventing  
8           someone from attending school, threatening to or ac-  
9           tually terminating employment, controlling or with-  
10          holding access to cash, checking, or credit accounts,  
11          and attempting to damage or sabotage the credit-  
12          worthiness of an intimate partner, including forcing  
13          an intimate partner to write bad checks, forcing an  
14          intimate partner to default on payments related to  
15          household needs, such as housing, or forcing an inti-  
16          mate partner into bankruptcy.

17          (16) This title aims to empower survivors of do-  
18          mestic violence, dating violence, sexual assault, or  
19          stalking to be free from violence, hardship, and con-  
20          trol, which restrains basic human rights to freedom  
21          and safety in the United States.

17 **TITLE VIII—SAFETY FOR INDIAN**  
18 **WOMEN**

19 **Subtitle A—Tools to Enhance**  
20 **Public Safety for Indian Tribes**

21 **SEC. 801. FINDINGS AND PURPOSES.**

22 (a) FINDINGS.—Congress finds that—

23 (1) American Indians and Alaska Natives are—

24 (A) 2.5 times as likely to experience violent  
25 crimes; and

1 (B) at least 2 times more likely to experi-  
2 ence rape or sexual assault crimes;

3 (2) more than 4 in 5 American Indian and  
4 Alaska Native women have experienced violence in  
5 their lifetime;

6 (3) the vast majority of American Indian and  
7 Alaska Native victims of violence—96 percent of  
8 women victims and 89 percent of male victims—have  
9 experienced sexual violence by a non-Indian pepe-  
10 trator at least once in their lifetime;

11 (4) Indian Tribes exercising special domestic vi-  
12 olence criminal jurisdiction over non-Indians pursu-  
13 ant to section 204 of Public Law 90–284 (25 U.S.C.  
14 1304) (commonly known as the “Indian Civil Rights  
15 Act of 1968”), restored by section 904 of the Vio-  
16 lence Against Women Reauthorization Act of 2013  
17 (Public Law 113–4; 127 Stat. 120), have reported  
18 significant success holding violent offenders account-  
19 able for crimes of domestic violence, dating violence,  
20 and civil protection order violations;

21 (5) Tribal prosecutors for Indian Tribes exer-  
22 cising special domestic violence criminal jurisdiction  
23 report that the majority of domestic violence cases  
24 involve children either as witnesses or victims, and  
25 the Department of Justice reports that American In-

1       dian and Alaska Native children suffer exposure to  
2       violence at one of the highest rates in the United  
3       States;

4           (6) childhood exposure to violence can have im-  
5       mediate and long-term effects, including increased  
6       rates of altered neurological development, poor phys-  
7       ical and mental health, poor school performance,  
8       substance abuse, and overrepresentation in the juve-  
9       nile justice system;

10          (7) according to the Centers for Disease Con-  
11       trol and Prevention, homicide is—

12           (A) the third leading cause of death among  
13       American Indian and Alaska Native women be-  
14       tween 10 and 24 years of age; and

15           (B) the fifth leading cause of death for  
16       American Indian and Alaska Native women be-  
17       tween 25 and 34 years of age;

18          (8) in some areas of the United States, Native  
19       American women are murdered at rates more than  
20       10 times the national average;

21          (9) according to a 2017 report by the Depart-  
22       ment of Justice, 66 percent of criminal prosecutions  
23       for crimes in Indian country that United States At-  
24       torneys declined to prosecute involved assault, mur-  
25       der, or sexual assault;

1           (10) investigation into cases of missing or mur-  
2           dered Indigenous women is made difficult for Tribal  
3           law enforcement agencies due to a lack of resources,  
4           including a lack of—

5                   (A) necessary personnel, training, equip-  
6                   ment, or funding;

7                   (B) interagency cooperation;

8                   (C) appropriate laws in place; and

9                   (D) access to Federal law enforcement  
10           databases;

11           (11) domestic violence calls are among the most  
12           dangerous calls that law enforcement receives;

13           (12) the complicated jurisdictional scheme that  
14           exists in Indian country—

15                   (A) has a significant impact on public safe-  
16                   ty in Indian communities;

17                   (B) according to Tribal justice officials,  
18                   has been increasingly exploited by criminals;  
19                   and

20                   (C) requires a high degree of commitment  
21                   and cooperation among Tribal, Federal, and  
22                   State law enforcement officials;

23           (13) restoring and enhancing Tribal capacity to  
24           address violence against women provides for greater

1 local control, safety, accountability, and trans-  
2 parency;

3 (14) Indian Tribes with restrictive settlement  
4 Acts, such as Indian Tribes in the State of Maine,  
5 and Indian Tribes located in States with concurrent  
6 authority to prosecute crimes in Indian country  
7 under the amendments made by the Act of August  
8 15, 1953 (67 Stat. 590, chapter 506), face unique  
9 public safety challenges; and

10 (15) Native Hawaiians experience a dispro-  
11 tionately high rate of human trafficking, with 64  
12 percent of human trafficking victims in the State of  
13 Hawai'i identifying as at least part Native Hawai-  
14 ian.

15 (b) PURPOSES.—The purposes of this subtitle are—

16 (1) to clarify the responsibilities of Federal,  
17 State, Tribal, and local law enforcement agencies  
18 with respect to responding to cases of domestic vio-  
19 lence, dating violence, stalking, sex trafficking, sex-  
20 ual violence, crimes against children, and assault  
21 against Tribal law enforcement officers;

22 (2) to increase coordination and communication  
23 among Federal, State, Tribal, and local law enforce-  
24 ment agencies;

1           (3) to empower Tribal governments and Native  
2           American communities, including urban Indian com-  
3           munities and Native Hawaiian communities, with  
4           the resources and information necessary to effec-  
5           tively respond to cases of domestic violence, dating  
6           violence, stalking, sex trafficking, sexual violence,  
7           and missing or murdered Native Americans; and

8           (4) to increase the collection of data related to  
9           missing or murdered Native Americans and the  
10          sharing of information among Federal, State, Tribal,  
11          and local officials responsible for responding to and  
12          investigating crimes impacting Indian Tribes and  
13          Native American communities, including urban In-  
14          dian communities and Native Hawaiian commu-  
15          nities, especially crimes relating to cases of missing  
16          or murdered Native Americans.

2           meet applicable Federal or State requirements  
3           shall be permitted access to national crime in-  
4           formation databases; and

5           “(B) technical assistance and training is  
6           provided to Bureau of Indian Affairs and tribal  
7           law enforcement agencies to gain access to, and  
8           the ability to use and input information into,  
9           the National Crime Information Center and

18 **SEC. 811. FINDINGS; PURPOSES.**

19 (a) FINDINGS.—Congress finds that—

20 (1) according to the report of the Indian Law  
21 and Order Commission established by section 15 of  
22 the Indian Law Enforcement Reform Act (25 U.S.C.  
23 2812), Alaska Native women—

24 (A) are overrepresented in the domestic vi-  
25 olence victim population by 250 percent;

1 (B) in the State of Alaska, comprise—

2 (i) 19 percent of the population of the  
3 State; but

4 (ii) 47 percent of reported rape vic-  
5 tims in the State; and

6 (C) as compared to the populations of  
7 other Indian Tribes, suffer the highest rates of  
8 domestic and sexual violence;

9 (2) most Alaska Native villages are located in  
10 remote areas that—

11 (A) are often inaccessible by road; and

12 (B) have no local law enforcement pres-  
13 ence;

14 (3) the Commission referred to in paragraph  
15 (1)—

16 (A) determined that the Alaska Depart-  
17 ment of Public Safety—

18 (i) has primary responsibility for law  
19 enforcement in rural Alaska; but

20 (ii) provides only 1 to 1.4 field officers  
21 per 1,000,000 acres; and

22 (B) recommended that “devolving author-  
23 ity to Alaska Native communities is essential  
24 for addressing local crime. Their governments  
25 are best positioned to effectively arrest, pros-

1           ecute, and punish, and they should have the au-  
2           thority to do so-or to work out voluntary agree-  
3           ments with each other, and with local govern-  
4           ments and the State on mutually beneficial  
5           terms”; and

6           (4) the unique legal relationship of the United  
7           States to Indian Tribes creates a Federal trust re-  
8           sponsibility to assist Tribal governments in safe-  
9           guarding the lives of Indian women.

10          (b) PURPOSES.—The purposes of this subtitle are—

11           (1) to increase coordination and communication  
12           among Federal, State, Tribal, and local law enforce-  
13           ment agencies; and

13 **SEC. 1403. NATIONAL STRATEGY, CLASSIFICATION, AND RE-**  
14 **PORTING ON CYBERCRIME.**

15          (a) DEFINITIONS.—In this section:

16           (1) COMPUTER.—The term “computer” in-  
17 cludes a computer network and any interactive elec-  
18 tronic device.

19           (2) CYBERCRIME AGAINST INDIVIDUALS.—The  
20 term “cybercrime against individuals” has the mean-  
21 ing given the term in section 1401.

22          (b) NATIONAL STRATEGY.—The Attorney General  
23 shall develop a national strategy to—

24           (1) reduce the incidence of cybercrimes against  
25 individuals;

1           (2) coordinate investigations of cybercrimes  
2 against individuals by Federal law enforcement  
3 agencies;

4           (3) increase the number of Federal prosecutions  
5 of cybercrimes against individuals; and

6           (4) develop an evaluation process that measures  
7 rates of cybercrime victimization and prosecutorial  
8 rates among Tribal and culturally specific commu-  
9 nities.

10       (c) CLASSIFICATION OF CYBERCRIMES AGAINST IN-  
11 DIVIDUALS FOR PURPOSES OF CRIME REPORTS.—In ac-  
12 cordance with the authority of the Attorney General under  
13 section 534 of title 28, United States Code, the Director  
14 of the Federal Bureau of Investigation shall—

15           (1) design and create within the Uniform Crime  
16 Reports a category for offenses that constitute  
17 cybercrimes against individuals;

18           (2) to the extent feasible, within the category  
19 established under paragraph (1), establish subcat-  
20 egories for each type of cybercrime against individ-  
21 uals that is an offense under Federal or State law;

22           (3) classify the category established under para-  
23 graph (1) as a Part I crime in the Uniform Crime  
24 Reports; and

1           (4) classify each type of cybercrime against in-  
2           dividuals that is an offense under Federal or State  
3           law as a Group A offense for the purpose of the Na-  
4           tional Incident-Based Reporting System.

6           publish an annual summary of the information reported

10          process for the national strategy developed under sub-  
11          section (b) and outcome measurements on its impact on  
12          Tribal and culturally specific communities.

13       **TITLE XV—KEEPING CHILDREN**  
14       **SAFE FROM FAMILY VIOLENCE**

15       **SEC. 1501. SHORT TITLE.**

16          This title may be cited as the “Keeping Children Safe  
17          From Family Violence Act” or “Kayden’s Law”.

18       **SEC. 1502. FINDINGS.**

19          Congress finds the following:

20               (1) Approximately 1 in 15 children is exposed  
21               to domestic violence each year.

22               (2) Most child abuse is perpetrated in the fam-  
23               ily and by a parent. Intimate partner violence and  
24               child abuse overlap in the same families at rates be-  
25               tween 30 and 60 percent. A child’s risk of abuse in-

1 creases after a perpetrator of intimate partner vio-  
2 lence separates from a domestic partner, even when  
3 the perpetrator has not previously directly abused  
4 the child. Children who have witnessed intimate  
5 partner violence are approximately 4 times more  
6 likely to experience direct child maltreatment than  
7 children who have not witnessed intimate partner vi-  
8 olence.

9 (3) More than 75 percent of child sexual abuse  
10 is perpetrated by a family member or a person  
11 known to the child. Data of the Department of Jus-  
12 tice shows that family members are 49 percent, or  
13 almost half, of the perpetrators of crimes against  
14 child sex assault victims younger than 6 years of  
15 age.

16 (4) Research suggests a child's exposure to a  
17 batterer is among the strongest indicators of risk of  
18 incest victimization. One study found that female  
19 children with fathers who are batterers of their  
20 mothers were 6.5 times more likely to experience fa-  
21 ther-daughter incest than female children who do  
22 not have abusive fathers.

23 (5) Child abuse is a major public health issue  
24 in the United States. Total lifetime financial costs  
25 associated with just 1 year of confirmed cases of

1 child maltreatment, including child physical abuse,  
2 sexual abuse, psychological abuse, and neglect, result  
3 in \$124,000,000,000 in annual costs to the economy  
4 of the United States, or approximately 1 percent of  
5 the gross domestic product of the United States.

6 (6) Empirical research indicates that courts  
7 regularly discount allegations of child physical and  
8 sexual abuse when those allegations are raised in  
9 child custody cases. Courts believed less than  $\frac{1}{4}$  of  
10 claims that a father has committed child physical or  
11 sexual abuse. With respect to cases in which an al-  
12 legedly abusive parent claimed the mother “alien-  
13 ated” the child, courts believed only 1 out of 51  
14 claims of sexual molestation by a father. Inde-  
15 pendent research indicates that child sexual abuse  
16 allegations are credible between 50 and 70 percent  
17 of the time.

18 (7) Empirical research shows that alleged or  
19 known abusive parents are often granted custody or  
20 unprotected parenting time by courts. Approximately  
21  $\frac{1}{3}$  of parents alleged to have committed child abuse  
22 took primary custody from the protective parent re-  
23 porting the abuse, placing children at ongoing risk.

24 (8) Researchers have documented nearly 800  
25 child murders in the United States since 2008 com-

1       mitted by a divorcing or separating parent. More  
2       than 100 of these child murders are known to have  
3       occurred after a court ordered the child to have con-  
4       tact with the dangerous parent over the objection of  
5       a safe parent or caregiver.

6           (9) Scientifically unsound theories that treat  
7       abuse allegations of mothers as likely false attempts  
8       to undermine fathers are frequently applied in fam-  
9       ily court to minimize or deny reports of abuse of  
10      parents and children. Many experts who testify  
11      against abuse allegations lack expertise in the rel-  
12      evant type of alleged abuse, relying instead on un-  
13      sound and unproven theories.

14          (10) Judges presiding over custody cases involv-  
15      ing allegations of child abuse, child sexual abuse,  
16      and domestic violence are rarely required to receive  
17      training on these subjects, and most States have not  
18      established standards for such training.

19 **SEC. 1503. PURPOSES.**

20      The purposes of this title are to—

21          (1) increase the priority given to child safety in  
22      any State court divorce, separation, visitation, pater-  
23      nity, child support, civil protection order, or family  
24      custody court proceeding affecting the custody and

1 care of children, excluding child protective, abuse, or  
 2 neglect proceedings and juvenile justice proceedings;

3 (2) strengthen the abilities of courts to—

4 (A) recognize and adjudicate domestic vio-  
 5 lence and child abuse allegations based on valid,  
 6 admissible evidence; and

7 (B) enter orders that protect and minimize  
 8 the risk of harm to children; and

9 (3) ensure that professional personnel involved  
 10 in cases containing domestic violence or child abuse  
 11 allegations receive trauma-informed and culturally  
 12 appropriate training on the dynamics, signs, and im-  
 13 pact of domestic violence and child abuse, including  
 14 child sexual abuse.

15 **SEC. 1504. INCREASED FUNDING FOR STOP GRANTS.**

16 Section 2007 of title I of the Omnibus Crime Control  
 17 and Safe Streets Act of 1968 (34 U.S.C. 10446) is amend-  
 18 ed by adding at the end the following:

4 legal or physical custody, or civil protection  
5 order proceeding between the parents of  
6 the child; and

9 or neglect proceeding;

11 ceeding; or

14 Tribal government, a designee of such  
15 a government, or any contracted child  
16 welfare agency or child protective  
17 services agency of such a government  
18 is a party to the proceeding.

19 “(B) ELIGIBLE STATE.—The term ‘eligible  
20 State’ means a State that—

21 “(i) receives a grant under subsection  
22 (a); and

23 “(ii) has in effect—

24 “(I) each law described in para-  
25 graph (3);

1                   “(II) the standards described in  
2                   paragraph (4); and

3                   “(III) the training program de-  
4                   scribed in paragraph (5).

5                   “(C) REUNIFICATION TREATMENT.—The  
6                   term ‘reunification treatment’ means a treat-  
7                   ment or therapy aimed at reuniting or reestab-  
8                   lishing a relationship between a child and an es-  
9                   tranged or rejected parent or other family mem-  
10                  ber of the child.

11                  “(2) INCREASE.—

12                  “(A) IN GENERAL.—The Attorney General  
13                  shall increase the amount of a grant awarded  
14                  under subsection (a) to an eligible State that  
15                  submits an application under paragraph (6) by  
16                  an amount that is not more than 10 percent of  
17                  the average of the total amount of funding pro-  
18                  vided to the State under subsection (a) under  
19                  the 3 most recent awards to the State.

20                  “(B) TERM OF INCREASE.—An increase of  
21                  a grant under subparagraph (A) shall be for 1  
22                  fiscal year.

23                  “(C) RENEWAL.—An eligible State that re-  
24                  ceives an increase under subparagraph (A) may  
25                  submit an application for renewal of the in-

1           crease at such time, in such manner, and con-  
2           taining such information as the Attorney Gen-  
3           eral may reasonably require.

4           “(D) LIMIT.—An eligible State may not  
5           receive an increase under subparagraph (A) for  
6           more than 4 fiscal years.

7           “(3) LAWS.—The laws described in this para-  
8           graph are the following:

9           “(A) A law that ensures that, with respect  
10          to a child custody proceeding in which a parent  
11          has been alleged to have committed domestic vi-  
12          olence or child abuse, including child sexual  
13          abuse—

14               “(i) expert evidence from a court-ap-  
15               pointed or outside professional relating to  
16               the alleged abuse may be admitted only if  
17               the professional possesses demonstrated  
18               expertise and clinical experience in working  
19               with victims of domestic violence or child  
20               abuse, including child sexual abuse, that is  
21               not solely of a forensic nature; and

22               “(ii) in making a finding regarding  
23               any allegation of domestic violence or child  
24               abuse, including child sexual abuse, in ad-  
25               dition to any other relevant admissible evi-

1                   dence, evidence of past sexual or physical  
2                   abuse committed by the accused parent  
3                   shall be considered, including—

4                   “**(I)** any past or current protec-  
5                   tion or restraining orders against the

18                  “(i) a court may not, solely in order  
19                  to improve a deficient relationship with the  
20                  other parent of a child, remove the child  
21                  from a parent or litigating party—

22                  “**(I)** who is competent, protective,  
23                  and not physically or sexually abusive;  
24                  and

1                   “(II) with whom the child is  
2                   bonded or to whom the child is at-  
3                   tached;

4                   “(ii) a court may not, solely in order  
5                   to improve a deficient relationship with the  
6                   other parent of a child, restrict contact be-  
7                   tween the child and a parent or litigating  
8                   party—

9                   “(I) who is competent, protective,  
10                  and not physically or sexually abusive;  
11                  and

12                  “(II) with whom the child is

19                  value of the reunification treatment;

20                  “(iv) a court may not order a reunifi-  
21                  cation treatment that is predicated on cut-  
22                  ting off a child from a parent with whom  
23                  the child is bonded or to whom the child is  
24                  attached; and

1                   “(v) any order to remediate the resist-  
2                   ance of a child to have contact with a vio-  
3                   lent or abusive parent primarily addresses  
4                   the behavior of that parent or the con-  
5                   tributions of that parent to the resistance  
6                   of the child before ordering the other par-  
7                   ent of the child to take steps to potentially  
8                   improve the relationship of the child with  
9                   the parent with whom the child resists con-

11                  “(C) A law that requires judges and mag-
