Dear Sir,

I am writing in regards to being a federally recognized Indian. I am a Snoqualmie Indian from Washington State.

Every time I ask for help or anything the answer I get is I'm not federally recognized. So I am petitioning the United State of America or the United States Department of the Interior for federal recognition.

The Snoqualmie Indians were signers of the Treaty of Point Elliott on January 22, 1855 in Washington Territory.

No matter any way it seems I can't get any help until this happens. I am medically disabled and need ~~help~~ that would be available if I was federally recognized.

Any thing you can do will be appreciated.

Sincerely Yours  
Helen C Harney
