Dear Governor Noem:

Thank you for your letter we received yesterday offering comments on consultation for a potential "pathway forward" regarding the CRST COVID-19 health safety checkpoints. We appreciate your concern about preventing the spread of the COVID-19 virus on the Cheyenne River Sioux Reservation and our taking action for the good of all people on the reservation. We will take your three-part plan into consideration. In the meantime, please forward any complaints you have received regarding the operation of our health safety checkpoints to the CRST COVID-19 Command Center.

Sincerely,
