

National Indian Health Board

Enhancing Tribal Environmental Health Program Capabilities and Engagement in COVID-19 Responses Webinar Series

The National Indian Health Board (NIHB) invites you to join us for a webinar series that will build on tribes and Tribal organization's capabilities to address the environmental and human health impacts from the virus that causes COVID-19.

The webinars will be held the **fourth Wednesday of every month** from 4:00 pm to 5:00 pm ET (1pm PT, 2pm MT, 3pm CT).

Session Topic	
September 22, 2021	Dealing with Multiple Public Health Crisis- Radiation Exposure and COVID-19
October 27, 2021	Sanitation and Tribal Waste During COVID-19: Best Practices to Properly Dispose of a Face Mask
January 26, 2022	Using Geographic Information System (GIS) Technology to Safeguard from COVID-19
February 23, 2022	COVID-19 Impacts on Climate Change and How Tribes Handle Evacuation and Shelter During Hurricane/Wildfire Seasons
March 23, 2022	Negative Impacts of COVID-19 Surface Cleaner and Disinfectants
April 27, 2022	Partnership with IHS (National Call)
May 25, 2022	National Wastewater Surveillance System (NWSS)
